

**Schedule L: Other Risk Management Measures**

Please select (by circling Yes, No, or N/A) the measures which are in place or will be implemented (and the date) in order to manage any risk from the activity.

- L1 Activity:**
- |                          |                           |                          |                                    |
|--------------------------|---------------------------|--------------------------|------------------------------------|
| <input type="checkbox"/> | Application of Pesticides | <input type="checkbox"/> | Storage and Handling of Pesticides |
| <input type="checkbox"/> | Application of Manure     | <input type="checkbox"/> | Storage and Handling of Manure     |
| <input type="checkbox"/> | Grazing and Pasturing     | <input type="checkbox"/> | Outdoor Confinement Area           |
| <input type="checkbox"/> | Storage of Liquid Fuels   | <input type="checkbox"/> | Storage and Handling of Chemicals  |
| <input type="checkbox"/> | Application of Fertilizer | <input type="checkbox"/> | Storage of Commercial Fertilizer   |
| <input type="checkbox"/> | Fuel Oil Storage          | <input type="checkbox"/> | Other:                             |

**Type of Measure:**  Containment  Spatial  Contingency

**Details:**

Current Practice: Yes No N/A

Will be Implemented: Yes No N/A Implementation Date: \_\_\_\_\_

- L2 Activity:**
- |                          |                           |                          |                                    |
|--------------------------|---------------------------|--------------------------|------------------------------------|
| <input type="checkbox"/> | Application of Pesticides | <input type="checkbox"/> | Storage and Handling of Pesticides |
| <input type="checkbox"/> | Application of Manure     | <input type="checkbox"/> | Storage and Handling of Manure     |
| <input type="checkbox"/> | Grazing and Pasturing     | <input type="checkbox"/> | Outdoor Confinement Area           |
| <input type="checkbox"/> | Storage of Liquid Fuels   | <input type="checkbox"/> | Storage and Handling of Chemicals  |
| <input type="checkbox"/> | Application of Fertilizer | <input type="checkbox"/> | Storage of Commercial Fertilizer   |
| <input type="checkbox"/> | Fuel Oil Storage          | <input type="checkbox"/> | Other:                             |

**Type of Measure:**  Containment  Spatial  Contingency

**Details:**

Current Practice: Yes No N/A

Will be Implemented: Yes No N/A Implementation Date: \_\_\_\_\_

- L3 Activity:**
- |                          |                           |                          |                                    |
|--------------------------|---------------------------|--------------------------|------------------------------------|
| <input type="checkbox"/> | Application of Pesticides | <input type="checkbox"/> | Storage and Handling of Pesticides |
| <input type="checkbox"/> | Application of Manure     | <input type="checkbox"/> | Storage and Handling of Manure     |
| <input type="checkbox"/> | Grazing and Pasturing     | <input type="checkbox"/> | Outdoor Confinement Area           |
| <input type="checkbox"/> | Storage of Liquid Fuels   | <input type="checkbox"/> | Storage and Handling of Chemicals  |
| <input type="checkbox"/> | Application of Fertilizer | <input type="checkbox"/> | Storage of Commercial Fertilizer   |
| <input type="checkbox"/> | Fuel Oil Storage          | <input type="checkbox"/> | Other:                             |

**Type of Measure:**  Containment  Spatial  Contingency

**Details:**

Current Practice: Yes No N/A

Will be Implemented: Yes No N/A Implementation Date: \_\_\_\_\_

- L4 Activity:**
- |                          |                           |                          |                                    |
|--------------------------|---------------------------|--------------------------|------------------------------------|
| <input type="checkbox"/> | Application of Pesticides | <input type="checkbox"/> | Storage and Handling of Pesticides |
| <input type="checkbox"/> | Application of Manure     | <input type="checkbox"/> | Storage and Handling of Manure     |
| <input type="checkbox"/> | Grazing and Pasturing     | <input type="checkbox"/> | Outdoor Confinement Area           |
| <input type="checkbox"/> | Storage of Liquid Fuels   | <input type="checkbox"/> | Storage and Handling of Chemicals  |
| <input type="checkbox"/> | Application of Fertilizer | <input type="checkbox"/> | Storage of Commercial Fertilizer   |
| <input type="checkbox"/> | Fuel Oil Storage          | <input type="checkbox"/> | Other:                             |
